**Suggested dose:** 1 tablet daily, prior to conception, during pregnancy and when breastfeeding.

**CAUTION:** There is enough iron in this package to seriously harm a child. Keep out of reach of children. Take with food. Avoid using 2 hours prior to or until 4 hours after taking other medications. Do not exceed the recommended daily dose. If taking other supplements, read label, as other supplements may contain the same ingredients. In case of accidental overdose contact a physician or poison control centre immediately.
