### Direct Billing

United Family Healthcare (UFH) has direct billing with over 40 insurance companies and provides direct billing as a privilege for members by sending the claim forms on behalf of its members. If a member's insurance company does not pay within 30 days of receiving the claim, UFH reserves the right to collect the amount due from the member. Members are ultimately responsible to pay for any charges not reimbursed by their insurance company. Members are responsible to read and understand their own insurance policies. UFH is not obliged to answer any queries with regards to a member's insurance policy. In general, direct billing will not be extended for a member's first dental clinic visit due to the need for pre-verification with the insurance company.
